**FOR IMMEDIATE RELEASE**

**Hudson Limited to release new DVD package with popular European drumming duo the Drumbassadors: *One for the Money, but Two for the Show*.**

**New York, NY (April 15, 2011)** – Hudson Music has announced the upcoming release of *One for the Money, but Two for the Show* on the Hudson Ltd. label. Featuring Europe's most dynamic drumming duo, the Drumbassadors, the 2-DVD set combines beautifully filmed concert footage with tons of educational content.

Disc one contains a concert performed by the Drumbassadors (René Creemers and Wim de Vries) for a wildly enthusiastic live audience in the Netherlands in 2009. René and Wim display the amazing creativity and virtuosity that they have become known for, while performing beautiful original drum compositions. Supported by a handful of guest musicians, the performances take you to a unique peak in the world of musical drumming.

Disc 2 is an instructional DVD on which René and Wim discuss matters such as stick grip, stroke technique, motion, balance, tone, dynamics, coordination, phrasing, and melodic playing. Further attention is given to playing with brushes and effective practice habits. René and Wim then demonstrate once again, through a number of solo, duo and band performances, how hugely creative and varied their style of playing is.

The 2-disc DVD set is available for \$39.95, and is on sale at drum shops and music stores worldwide. It is also available as a digital download via Hudson on Demand. Please visit your favorite dealer's website or [www.hudsonmusic.com](http://www.hudsonmusic.com).
