FOR IMMEDIATE RELEASE

Hudson Music releases new DVD in popular and affordable compilation series: *Ultimate Drum Lessons: Hand Technique and Rudiments*, hosted by DCI legend Dennis DeLucia.

New York, NY (October 18, 2012) – Hudson Music has announced the upcoming release of the latest installment in its popular *Ultimate Drum Lessons* DVD series. *Ultimate Drum Lessons: Hand Technique and Rudiments* is the sixth release in the series. Priced affordably at \$14.99 and containing a wealth of previously released material from the vast Hudson catalog, the titles in this series have proven to be very popular with drummers.

*Ultimate Drum Lessons: Hand Technique and Rudiments* is hosted by drum corps legend Dennis DeLucia, highlighting the usefulness of this DVD for both drumset and marching players. DeLucia, very familiar with both the marching and drumset worlds, introduces clips from Steve Gadd (Eric Clapton, Paul Simon, Chick Corea), Keith Carlock (Steely Dan, Sting), Steve Smith (Journey, Vital Information), Tommy Igoe (The Birdland Big Band), Todd Sucherman (Styx), Jeff Queen (DCI snare champion, *Blast!*), David Garibaldi (Tower of Power), Jim Riley (Rascal Flatts), Aaron Spears (Usher, American Idol Tour), Pat Petrillo (Gloria Gaynor, Patti LaBelle), Thomas Lang (Stork, Gianna Nannini), John Blackwell (Prince, Justin Timberlake), Antonio Sanchez (Pat Metheney), and Jason Bittner (Shadows Fall). All the clips are selected for educational value, presenting interesting and challenging exercises and patterns to improve your technique and agility with the rudiments.

“We are excited to present this new entry in our *Ultimate Drum Lessons* series,” said Hudson Music co-founder Rob Wallis. “We’ve chosen a great selection of educational clips for drummers of all levels, presented by another great cross-section of the artists in our Hudson family. We are especially thrilled to have Dennis DeLucia involved, because we think marching players will love this DVD as much as drumset players.”
