FOR IMMEDIATE RELEASE

Iconic rock drummer Todd Sucherman and Hudson Ltd. release new 2-DVD set, *Methods and Mechanics 2: Life on the Road - Songs, Solos, Stories and Lessons*.

New York, NY (June 27, 2011) – Hudson Limited is pleased to announce that it is teaming up with popular drummer Todd Sucherman (Styx, Brian Wilson, Jerry Goodman, Spinal Tap, Eric Marienthal), to release ***Methods and Mechanics 2: Life on the Road - Songs, Solos, Stories and Lessons***. This brand-new 2-DVD set was co-produced by Todd and Eric Dorris, and is a follow-up to Todd's enormously successful, multiple-award-winning first DVD release.

The four-hour, 2-DVD set (\$29.99) includes 15 song performances with analysis and breakdowns, including the music of Styx and others. Todd also covers topics such as odd phrasing, hand exercises and applications, concepts for practice routines, and an extensive look at ghost notes. He also touches on several topics rarely covered on other drum DVDs, including career development ideas and concepts to navigate through life as a touring/working musician. Many other concepts and tips are also presented, along with several new drum solos.

“Todd is a world-class drummer, and one of the leading lights in rock drumming right now,” says Hudson Music Senior Drum Editor Joe Bergamini. “So we were delighted when we had the opportunity to team up with Todd on this DVD and his forthcoming book project. With these products, Todd shows that he is not only a great player, but also a great educator.”

“I'm excited to team up with Hudson Music for my second DVD release,” says Todd. “I feel it's important to pass on useful information to other musicians and the next generation of players. There's unique information on *Methods and Mechanics II*—musically and conceptually—to help prepare musicians for working and touring in the 21st century. It is my hope that viewers are entertained, inspired, and excited to get behind their drum kits.”

Todd Sucherman: *Methods and Mechanics II: Life on the Road: Songs, Solos, Stories and Lessons*
